Hands Of Time

Myke Mazzei

Keep looking through the window pane
Just trying to see through the pouring rain
Its hearing your name, hearing your name
I really never felt quite the same
Since I've lost what I had to gain
No one to blame, no one to blame
Seems to me, can't turn back the hands of time
Oh, it seems to me, can't turn back the hands of time
Keep looking through the window pane
Just trying to see through the pouring rain
Its hearing your name, hearing your name
I really never felt quite the same
Since I've lost what I had to gain
No one to blame, no one to blame
Seems to me, can't turn back the hands of time
Oh, it seems to me, can't turn back the hands of time
Seems to me, can't turn back the hands of time
Seems to me, history was left behind
