

# Hands Of Time

**Myke Mazzei**

Keep looking through the window pane  
Just trying to see through the pouring rain  
Its hearing your name, hearing your name  
I really never felt quite the same  
Since I've lost what I had to gain  
No one to blame, no one to blame  
Seems to me, can't turn back the hands of time  
Oh, it seems to me, can't turn back the hands of time  
Keep looking through the window pane  
Just trying to see through the pouring rain  
Its hearing your name, hearing your name  
I really never felt quite the same  
Since I've lost what I had to gain  
No one to blame, no one to blame  
Seems to me, can't turn back the hands of time  
Oh, it seems to me, can't turn back the hands of time  
Seems to me, can't turn back the hands of time  
Seems to me, history was left behind
