Dance to the Bop

Gene Vincent

Well there's a little juke joint on the outside of town
Where the cats pick 'em up and they lay 'em down
You get your gal, I'll get mine
And we'll get together and we'll have a good timeWe'll dance a little bit to the bop, to the bop
Dance a little bit to the bop
Well, dance a little bit to the bop
Well, now dance to the rock 'n' rollYeah now, dance, dance, dance
Well, dance, dance, dance
Yeah now, dance, dance, dance
Well, dance, dance, dance
Well now dance, well dance to the rock 'n' roll
Now gotta get itWell the cats come rockin' in two by two
Some come single like me and you
Dancin' to the bop is their delight
Well when they get it right, they'll dance all nightThey'll dance a little bit to the bop, to the bop
Dance a little bit to the bop
Dance a little bit to the bop
Well, now dance to the rock 'n' rollYeah now, dance, dance, dance
Well, dance, dance, dance
Yeah now, dance, dance, dance
Well now, dance, dance, dance
Well now dance, well dance to the rock 'n' roll
Yeah, now rock itYeah, we'll dance a little bit to the bop, to the bop
Dance a little bit to the bop
Dance a little bit to the bop
Well, dance to the rock 'n' rollYeah now, dance, dance, dance
Well, dance, dance, dance
Now, dance, dance, dance
Well, dance, dance, dance
Well now dance, well now dance to the Rock 'n' Roll
