Falling For You

Seabird

I hope this song will find you awake
'Cause what I need to say can't wait
I've loved you since we were just babes
The world can try but we can't change'Cause I'm fallin'
I'm fallin' for you
Oh darling, it's finally trueI hope this song brings you back to life
'Cause I can see the fear in those eyes
I promise you if we just try
We'll take this wrong and make it right'Cause I'm fallin'
I've fallen for you
Oh darling, it's finally true
And someday, I'll break your fall too
'Cause I'm fallin'
I'm fallin' for you
