True To Your Heart

Keke Palmer

Baby, I knew at once
That you were meant for me
Deep in my soul I know
That you're my destinyThough you're unsure
Why fight the tide?
Don't think so much
Let your heart decideBaby, I see your future
And it's tied to mine
I look in your eyes
And see you searching for a signBut you'll never fall
'Til you let go
Don't be so scared
Of what you don't knowTrue to your heart
You must be true to your heart
That's when the heavens will part
And baby, shower you with my loveOpen your eyes
Your heart can tell you no lies
And when you're true to your heart
I know it's gonna lead you straight to me
Hit the basement, remixSomeone you know is on your side
Can set you free
I can do that for you
If you believe in meWhy second-guess?
What feels so right?
Just trust your heart
And you'll see the lightTrue to your heart
You must be true to your heart
That's when the heavens will part
And baby, shower you with my loveOpen your eyes
Your heart can tell you no lies
And when you're true to your heart
I know it's gonna lead you straight to meYou know it's true
Your heart knows what's good for you
Yeah, yeah, yeah, yeah, yeah, yeahYou know it's true
It'll see you through, yeah, yeah
Clap your hands, stomp your feetBoy, my heart is driving me to where you are
You can take both hands off the wheel and still get far
Be swept away and enjoy the ride
You won't get lost, yeah, with your heart to guide youTrue to your heart

You must be true to your heart
That's when the heavens will part
And baby, shower you with my loveOpen your eyes
Your heart can tell you no lies
And when you're true to your heart
I know it's gonna lead you straight to me
To me, to meI know it's gonna lead you straight to me
Put a smile on your face, come on
I know it's gonna lead you straight to me, yeah
