

Betty's Bein' Bad

Sawyer Brown

Betty's out bein' bad tonight
Betty and her boyfriend, they had a big fight
She found out what everybody knew
Too many cooks spoil the stew
She don't care what nobody thinks
She's gonna be bad 'til the whole town stinks
Betty's bein' bad, Betty's bein' bad
Bad, bad, bad, she's out bein' bad
Betty's out bein' bad tonight
Betty and her boyfriend, they had a big fight
Well, she went home when she found out
Said, "Pack your bags, I want you out"
Her boyfriend thought she was talking jive
'Til he saw her standing with a .45
A .45's quicker than 409
Betty cleaned house for the very last time
Betty's bein' bad, Betty's bein' bad
Bad, bad, bad, she's out bein' bad
Betty's out bein' bad tonight
Betty and her boyfriend, they had a big fight
Now, if you go out and you see Betty
Don't scream and shout, unless you're ready
You are ready to rock, ready to roll
'Til it all freezes over and you catch a cold
Betty's not mad, she's just getting even
Betty's bein' bad, it's her way of leaving
Betty's bein' bad, Betty's bein' bad
Bad, bad, bad, she's out bein' bad
Betty's out bein' bad tonight
Betty and her boyfriend, they had a big fight
Bye, bye, Betty, good-bye
Bye, bye, Betty, good-bye
Bye, bye, bye, Betty, good-bye
