

To love Somebody (live '68) (The Bee Gees cover)

[Nina Simone](#)

There' a light
A certain kind of light
I want my whole life to be
To live it with you
Live it with you There's a way
Everybody says
Do each and every little thing
What good does it bring
If I ain't got you, if I ain't got you
I ain't got you, I ain't got you You don't know
What it's like
Baby you don't
What it's like
To love somebody
To love somebody
The way I love you In my brain
See your face again
I know my frame of mind
You ain't got to be so blind
And I'm blind, so blind I'm a woman
Can't you see what I am
I live and I breathe for you
What good does it do
If I ain't got you, if I ain't got you
I ain't got you, I ain't got you Say you don't know
What is like
Baby you don't know
To love somebody
To love somebody
The way I love you Oh you don't know
What is like
Baby you don't know
To love somebody
To love somebody
The way I love you
