

# Split Personality

[Matthew Sweet](#)

I can't remember what I thought of you  
Just a minute before  
I've got to take another look at who  
I do believe it's true I've got a split personality  
When I let it fly  
I've got a split personality And I'm bottled up most times  
But I don't think I'd forget you  
My memory is fine  
And I don't believe I've met you  
It's time, I get a piece of your mind You must prepare yourself for what you'll see  
'Cause it won't be long  
I'm going to ask you not to look at me  
When it all goes wrong I've got a split personality  
When I let it fly  
I've got a split personality I can't remember what I thought of you  
Just a minute before  
I've got to take another look at who  
I do believe it's true I've got a split personality  
When I let it fly  
I've got a split personality And I'm bottled up most times  
But I don't think I'd forget you  
My memory is fine  
And I don't believe I've met you I'm bottled up most times  
But I don't think I'd forget you  
My memory is fine  
And I don't believe I've met you  
It's time, I get a piece of your mind I get a piece of your mind  
I get a piece of your mind  
I get a piece of your mind
