Symphonies (remix)

Dan Black

I come disguise I was hypnotized
Lost a track, struggled back
I wanted easy stuff to please me
Something in the dark began to squeeze me
Seen it there, then there in the mirror
Totally focused, no hocus pocus
Dare I give in to this thing gripping my skin
To win, thinking how to as
The lights of a cars go by in a stream
Seems like I stand pretty much unseen
But I open my eyes and beams come out
Gimme, gimme symphonies
Gimme more than the life I see
Score rise up, angels play
Let my loneliness get blown away
Gimme, gimme symphonies
Gimme more than the life I see
I lie down in the dust just under your eye
A scrap of paper, thin as vapor
Filling my clothes like smoke
A couple of the wires in my heart are broke
I throw, I miss something, nothing
But dreams, schemes, moments wasted
Taste I tasted, fate I'm fated
Re-edited again then copy pasted as
The lights of a cars go by in a stream
Seems like I stand pretty much unseen
But I open my eyes and beams come out

Gimme, gimme symphonies
Gimme more than the life I see
Score rise up, angels play
Let my loneliness get blown away
Gimme, gimme symphonies
Gimme more than the life I see
When I wanna quit, I suffocate it
I chew bubblicious, stress repetitious
Vicious, I'm one outsider
Up above the streets on the DCY-er

Higher, fire in my guts
In a rut but what I've got
Is in no can, no other human
But I do get lonely scared I'm phony as
The lights of a cars go by in a stream
Seems like I stand pretty much unseen
But I open my eyes and beams come out
Gimme, gimme symphonies
Gimme more than the life I see
Score rise up, angels play
Let my loneliness get blown away
Gimme, gimme symphonies
Gimme more than the life I see
Gimme, gimme symphonies
Gimme more than the life I see
Gimme, gimme symphonies
