Little By Little

Oasis

We the people fight for our existence
We don't claim to be perfect but we're free
We dream our dreams alone with no resistance
Fading like the stars we wish to beYou know I didn't mean what I just said
But my God woke up
On the wrong side of his bed
And it just don't matter now'Cause little by little
We gave you everything you ever dreamed of
Little by little
The wheels of your life have slowly fallen off
Little by little
You have to give it all in all your life and all the time
I just asked myself why you're really hereTrue perfection has to be imperfect
I know that that sounds foolish but it's true
The day has come and now you'll have to accept
The life inside your head we give to youYou know I didn't mean what I just said
But my God woke up
On the wrong side of his bed
And it just don't matter now'Cause little by little
We gave you everything you ever dreamed of
Little by little
The wheels of your life have slowly fallen off
Little by little
You have to give it all in all your life and all the time
I just asked myself why you're really here, heyLittle by little
We gave you everything you ever dreamed of
Little by little
The wheels of your life have slowly fallen off
Little by little
You have to give it all in all your life and all the time
I just asked myself why you're really hereWhy am I really here?
Why am I really here?
