Professor Green

Don't piss me off!
Pneumonoultramicroscopicsilicovolcanoconiosis,
I don't know what that is, but I know that it flows sick.
Oh shit, there I go bein' a dick again,
Look at me, I can say the longest word in the dictiona-ry-ry-ry.
I dunno much but I know the future's bright, the future's green,
The futures me,
The futures I,
Maybe you'd understand me a little better if you were high.
Do like my DJ I-I-I-IQ,
Make no mistake I'm just as high-igh-igh too.
If you say the wrong thing about me,
Your career is something that you can say good bye bye bye too.
How's your album doing mine flew,
This time around I'm doing what I did on the last one times two,
And some, damn son have you seen the state of your eyeballs!?
Don't piss me, don't piss me, don't piss me off!
Don't piss me, don't piss me, don't piss me off!
"Til we stop there will be no falling, no we're giving everything we've got,
'TIl the wheels fall off we'll be rolling, yeah we go anywhere we want.
Don't piss me off!
La-la-la-la-la-la-la,
La-la -a-la-la-la-la,
La-la-la-la-la-la-la-la.
Me, I attract beef,
I eat tracks, that's me.
Jack D, Hackney,
It's in my blood, and we,
Act silly to the phone,
Taxi and I'm home.
Bad B, black sheep,
Bag of beans and an O.
Yo, I'm getting high tonight,

Where women who make do getting by tonight.
I like the life, but I ain't into courting,
I'm only into spooning if it leads to forking.
I'm back buzzin',
I'd shag Eva Mendez even if she was my damn cousin.

So please don't, think I am lonely,
Even though I'm swimming in women for the pussy I'm in.
I ain't tryina catch nothing,
I ain't lighetning up, I'm still as mean,
Still as drunk, still as high,
Still as lean, still as Green.
Stood still on a pair of stilts in a distillery,
The last time I got head it involved the guillotine.
Don't piss me, don't piss me, don't piss me off!
Don't piss me, don't piss me, don't piss me off!
'Til we stop there will be no falling, no we're giving everything we've got,
'TIl the wheels fall off we'll be rolling, yeah we go anywhere we want.
Don't piss me off!
La-la-la-la-la-la-la,
La-la -a-la-la-la-la,
La-la-la-la-la-la-la-la.
I don't know what it is man,
But something about this beat just kinda makes me,
Feel invincible.
Like I can do anything I want without any question,
I might even cover my naked body in sticky tape and run through All Saints,
And come out doing my JLS impression.
Hehehehe,
Don't piss me off!
Don't piss me, don't piss me, don't piss me off!
Don't piss me, don't piss me, don't piss me off!
'Til we stop there will be no falling, no we're giving everything we've got,
'TIl the wheels fall off we'll be rolling, yeah we go anywhere we want.
Don't Piss Me Off!
