

# Back in the Sunshine Again

Paul McCartney

Here we are,  
Back in the sunshine again  
No more worries,  
No more painWell we're leaving behind, all our trouble and strife  
That's the way it's gonna be, oh, the rest of my lifeWell here we are, here we are, back in the sunshine again  
No more worries, no more worries, no more pain, no more painLife's too short to spend it lonely, you only  
throw it away  
Listen to your voice of reason, yeah call it a day, ay, ay, ayTake a ride, take a ride, out to the land of the free  
Don't hurry, take your time, take your time  
Come spend it with me, ooooh  
Back in the sunshine (2X)Here we are, back in the sunshine again  
No more worries, no more worries, no more worries  
And no more painLife's too short to spend it lonely, you only throw it away  
Listen to your voice of reason, you call it a day, ay, ay, ayHere we are, back in the sunshine again  
No more worries, no more worries, and no more painHere we are, here we are, yeah we're back in the sunshine  
again  
No more worries, oh no and no more painWhy, why, we're back in the sunshine again  
No more worry or pain  
Yeah we're back in the sunshine again
