

# Power and the Glory

## October 31

I'm a soldier of fortune  
I'm trained and I'm ready to kill  
    Put me in battle  
I follow the sound of the gunAnd give me an order  
    At many, I'll fire at will  
    I got no emotions  
I'm living with thunder and steelAnd I don't hear no lies  
    All I hear are your battle cries  
    I'm a soldier of fortune  
I'm trained and I'm ready to dieTo the power and the glory  
    Raise your glasses high  
    To the power and the glory  
Be with me tonightA cold death awaits me tonight  
    If I stumble or fall  
    My friends lay around me  
Their bodies all tattered and torn  
    But mine is not to reason why  
Mine is just to do or dieTo the power and the glory  
    Raise your glasses high  
    To the power and the glory  
Be with me tonightCan you feel the power?  
    Can you feel the glory?  
    Can you feel the power?  
    Can you feel the glory?  
    Can you feel the power?  
Is it with you tonight?I'm fighting for freedom  
    I'm safe, I've got God on my side  
    But with what poison rights  
Can you justify your battle hymns?  
    The general says we'll win the war  
Just sacrifice 10,000 moreTo the power and the glory  
    Raise your glasses high  
    To the power and the glory  
    Be with me tonight  
Tonight, yeah, yeahTo the power and the glory  
    Raise your glasses high  
    To the power and the glory  
    Be with me tonight  
    Tonight, tonight, tonight
