

Riders On The Storm (Infected Mushroom Remix)

The Doors

Riders on the storm, riders on the storm
Into this house we're born, into this world we're thrown
Like a dog without a bone, an actor out on loan
Riders on the stormThere's a killer on the road, his brain is squirming' like a toad
Take a long holiday, let your children play
If ya give this man a ride, sweet family will die
Killer on the road, yeahGirl ya gotta love your man, girl ya gotta love your man
Take him by the hand, make him understand
The world on you depends, our life will never end
Gotta love your man, yeahRiders on the storm, riders on the storm
Into this house we're born, into this world we're thrown
Like a dog without a bone, an actor out on loan
Riders on the storm
