# Upside Down

## Paloma Faith

Angels watching over me
With smiles upon their face
'Cause I have made it through this far
In an unforgiving placeIt feels sometimes this hills to steep
For a girl like me to climb
But I must knock those thoughts right down
I'll do it in my own timeI don't care, I'm halfway there
On a road that leads me straight
To who knows where?I'll tell you what, what I have found
That I'm no fool, I'm just upside down
Ain't got no cares, I ain't got no rules
I think I like living upside downWatching people scurry by
Rushing to and fro
Oh, this world is such a crazy place
It's all about the go, go, goSometimes life can taste so sweet
When you slow it down
You start to see the world a little differently
When you turn it upside downI don't care
I'm halfway there
And I'm just soaking up
The magic in the airI'll tell you what, what I have found
That I'm no fool, I'm just upside down
Ain't got no cares, I ain't got no rules
I think I like living upside downI'll tell you what, what I have found
That I'm no fool, I'm just upside down
Ain't got no cares, I ain't got no rules
I think I like living upside downWhoa, whoa, whoa
You got to slow it down
And then you pick it up
Come on and try a little topsy turvy
Back to front the right way roundTake it slow, slow, slow
(You gotta pick it up)
Yeah, yeah, yeah
(Let me see you slow it down)
Hey, yo, yo
(Tell me something, something)I'll tell you what, what I have found
That I'm no fool, I'm just upside down
Ain't got no cares, I ain't got no rules
I think I like living upside downI'll tell you what, what I have found

That I'm no fool, I'm just upside down
Ain't got no cares, I ain't got no rules
I think I like living upside down
