

# Wake Me Up!

## Elvis Jackson

Feeling my way through the darkness  
Guided by a beating heart  
I can't tell where the journey will end  
But I know where to start  
They tell me I'm too young to understand  
They say I'm caught up in a dream  
Well life will pass me by if I don't open up my eyes  
Well that's fine by meSo wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself, and I  
Didn't know*it* I was lostSo wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself, and I  
Didn't know*it* I was lostI tried carrying the weight of the world  
But I only have two hands  
Hope I get the chance to travel the world  
But I don't have any plans  
Wish that I could stay forever this young  
Not afraid to close my eyes  
Life's a game*it* made for everyone  
And love is a prizeSo wake*it* me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself, and I  
Didn't know*it* I was lostSo wake*it* me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself, and I  
I didn't know*it* I was lostI didn't know I was lost  
I didn't know I was lost  
I didn't know I was lost  
I didn't know
