Guilty

3T

After everything we've been through
You're gonna question me
After all that I've done for you
Tell me how
That you forget to stop and think
Or even talk about it with me
I can't believe you're accusing me
You let me down

Didn't do it
I'm innocent
Baby you know this
Stop listening to what they say
Baby just focus
Because the truth it ain't hard to find
And you know that I wouldn't lie
But I'm telling you one more time
Baby I'm innocent

Chorus

Everyone's blaiming and accusing me
Girl I know what it looks like but it wasn't me
I swear
Girl you're gotta stay by my side
They're just trying to confuse your mind
If you want you can call me guilty
But I'm guilty of loving you
I'm just guilty of loving you
I'll be guilty of loving you
I'm just guilty of loving you
Guilty of loving you

What makes you think that I would go around and hurt you
You say you love me and you trust me so now show it baby

bridge

Didn't do it
I'm innocent

Baby you know this
Stop listening to what they say
Baby just focus
'Cause they're trying to confuse your mind
And you know that I wouldn't lie
So I'm telling you one more time
Baby I'm innocent

Chorus
Everyone's blaiming and accusing me
Girl I know what it looks like but it wasn't me
I swear
And it slowly gonna all unfold
And when it does you will finally know
If you want you can call me guilty
But I'm guilty of loving you
I'm just guilty of loving you
Call me guilty of loving you
I'm just guilty of loving you
Guilty of loving you

Hook
Girl I know what it looks like
But you fail to realize
That I don't care 'bout no one else
And it hurts that you would think
That I could do this to you
Girl, I love you and you know it
(So maybe I'm guilty of)I'm just guilty of loving you

(spoken words)
Who you gonna trust,me or them?
You can't be serious about this
You know me better than that

(vocals)
It wasn't me
I swear

(spoken words)

Now I know what it looks like
But you gotta trust me on this one

(vocals)
(If you want you can call me guilty)

But I'm just guilty of loving you

Chorus
Didn't do it
I'm innocent
Baby you know this (start listening)
Stop listening to what they say
Baby just focus
'Cause they're trying to confuse your mind
But I'm telling you one last time
If you want you can call me guilty (But I'm innocent)

I'm just guilty of loving you
I'll be guilty of loving you
Call me guilty of loving you
Guilty of loving you

Girl you gotta stay by my side
They're just trying to confuse your mind
If you want you can call me guilty
