

Flaming

Pink Floyd

Alone in the clouds all blue
Lying on an eiderdown
Yippee! You can't see me
But I can youLazing in the foggy dew
Sitting on a unicorn
No fair, you can't hear me
But I can youWatching buttercups cup the light
Sleeping on a dandelion
Too much, I won't touch you
But then I mightScreaming through the starlit sky
Traveling by telephone
Hey ho, here we go
Ever so high
