

Atari Teenage Riot (Urban Riot Remix)

Atari Teenage Riot

Go!

Are you ready?

1 2 3 4

After west German takeover Berlin youth were just getting used to

Their new found freedoms:

House, drugs, squats denied despite food and money shortages

Since perestroika planet Soviet Union has changed,

There's a new world in which young people can work together

Come on - let's work together

The most famous suckers are Elvis Presley, James Dean

And the most photographed universally known of them all:

Marilyn Monroe

But the times are changing, and you'll see that the

Last chance will be an

Atari teenage riot Atari teenage riot

What did you say? what did you say? what did you say?

Atari teenage riot! There won't be any experts there to say

You should do this

You should do that

I don't care what anyone does to our records

I just don't want to be looking at it

I don't want to punish people, I want to punish myself

As much as well with the music I think that's part of the reason

But anyway, the last chance will be an Atari Teenage Riot Atari teenage riot

What did you say? what did you say? what did you say?

Atari teenage riot! Power for those who can fuck it

Freedom for those who can find it

Sex for those who can buy it

Television today never lies What did you say?

Atari teenage riot!
