Paint A Smile

Jasmine V

Like a car chase (yeah, yeah)
On the highway (again)
We were going nowhere real fast
I let your tear my heart out (yeah, yeah)
I wear it on my sleeve now (I do)
I thought Id never take my foot off the gasYou made me smear my makeup
Nothing but dried black mascara
Im letting it goTears wont last forever
Life only gets better
When the world lets me down
Ill paint a smile on,
Paint a smile onBreak my heart, it wont matter
Ill piece it back together
When the world lets me down
Ill paint a smile on,
Paint a smile onEverybody say
Oh, oh whoa, oh-oh, oh whoa
Everybody say
Oh, oh whoa, oh-oh, oh whoa
Everybody say
Oh, oh whoa, oh-oh, oh whoaIll paint a smile on,
Paint a smile onIll forgive you
But Ill never kiss you (again)
Youll miss my strawberry lipstick
Yeah, I hope it hits you (I do)
Just like a missile
Promise youll never find a better chickyou make me smear my make up
nothing but dried black mascara
im letting it go...Tears wont last forever
Life only gets better
When the world lets me down
Ill paint a smile on,
Paint a smile onBreak my heart, it wont matter
Ill piece it back together
When the world lets me down
Ill paint a smile on,
Paint a smile onEverybody say
Oh, oh whoa, oh-oh, oh whoa
Everybody say

Oh, oh whoa, oh-oh, oh whoa
Everybody say
Oh, oh whoa, oh-oh, oh whoaIll paint a smile on,
Paint a smile onIm gonna keep my head up, brush it off
Its time I feel pretty all over again
Whatever the cost, Ill take a loss
Yeah, its time that I get back to meTears wont last forever
Life only gets better
When the world lets me down
Ill paint a smile on,
Paint a smile onBreak my heart, it wont matter
Ill piece it back together
When the world lets me down
Ill paint a smile on,
Paint a smile onEverybody say
Oh, oh whoa, oh-oh, oh whoa
Everybody say
Oh, oh whoa, oh-oh, oh whoa
Everybody say
Oh, oh whoa, oh-oh, oh whoaIll paint a smile on
Pain a smile on
