Wild Horses

Sylver

[Verse 1:]
The strangers faces do appear
I startle when they come too near
But angels have no fear
(angels have no fear)
Although my quest is justified
Love is strong and time is tight
You ask me not to fight
(you ask me not to fight)[Chorus:]
Wild horses can keep me away
My heart keeps longing for the day
So why just hope and pray
So why just hope and pray
Wild horses can keep me away
My heart keeps longing for the day
So why just hope and pray
So why just hope and pray[Verse 1:]
The strangers faces do appear
I startle when they come too near
But angels have no fear
(angels have no fear)
Although my quest is justified
Love is strong and time is tight
You ask me not to fight
(you ask me not to fight)[Chorus:]
Wild horses can keep me away
My heart keeps longing for the day
So why just hope and pray
So why just hope and pray
Wild horses can keep me away
My heart keeps longing for the day
So why just hope and pray
So why just hope and pray
Wild horses can keep me away
My heart keeps longing for the day
So why just hope and pray
So why just hope and pray
