

Freek'n You

Jodeci

I wanna freek you
I wanna freek you
I wanna freek you
I wanna freek you

Every time I close my eyes
I wake up feelin' so horney
I can't get you out of my mind
Cause sex'in you be all I see
I would give anything
Just to make you understand me
I don't give a damn about nothin else
Cause freek'n you is all I need

Tonight I need your body
I need your body
Tonight you got my time
Girl what ever you want I will give it Baby
Tonight you won't be sorry
Ah ah ahe ahe ohh wee
Tonight you've got my mind
You got my mind all I wanna do is freek you

What must I say
What must I do
To show how much
I think about freek'n you

What must I say
What must I do
To show how much
I think about freek'n you

I can go on for a day
But I couldn't go on for weeks baby
I could even play with another body
But it wouldn't last cause I'm a freek
I hear everything you say
Turned on by everything you do
And at night when I close my eyes

I only dream of freek'n you

Tonight I need your body
Tonight I need your body baby
Tonight you got my time
What ever you want what ever you need
Tonight you won't be sorry
Ah you won't be sorry baby baby no na no
Tonight you've got my mind
What ever you want baby it will be fine, so fine

What must I say
What must I do
To show how much
I think about freek'n you

What must I say
What must I do
To show how much
I think about freek'n you

Get down and freek me up and down
Every freek'n night and every freek'n day
I wanna freek you baby in every freek'n way
Every freek'n day every and every freek'n night
I wanna freek ya baby in every freek'n way
Every freek'n day every and every freek'n night
I wanna freek ya baby in every freek'n way
Every freek'n day and every freek'n night
I wanna freek you girl your body's so freek'n tight

What must I say (tell me)
What must I do (can I prove my love)
To show how much (lick'n you all over body baby)
I think about freek'n you (you body)

What must I say
What must I do
To show how much (want to think about freek'n you)
I think about freek'n you
