

You Know I'll Miss You When You're Gone

Saint Etienne

If only I could make you see
Make you understand
The answers not, "We'll wait and see"
It's right there in your hand
Forgive me, honey, I was blind
You know I'll miss you when you're gone
You know I'll miss you when you're gone
When you're gone, gone
Know there's no way out of here
We're deeper every day
You know there's no way out of here
No matter what they say
I'm so sorry, I was blind
You know I'll miss you when you're gone
You know I'll miss you when you're gone
When you're gone, gone
