Lee Van Cleef

Skazz

Got a badge, a red rider at rocket camp
Out at Nohack Peak
Lookin' for jailbirds left an' right
Tryna' knock 'em up out the trees
Errybody i know's watching Clint
We all like watching Clint
(Hi Hi Hi Hiiii)
All the lil' snaps wanna be like Clint
They all wanna be like Clint
But i wanna be like Lee Van Cleef
You know i wanna be like Lee
Whatever happened to Lee Van Cleef?
Whatever Happened to Lee?
A yellow Studebecker with a 302
I see the green naugahyde
put a couple a' dinks in that pickup truck
a few more dents in his pride
At Hilltop Drive-In their watchin' Clint
They all like watchin' Clint
(Hi Hi Hi Hiiii)
All the babies scream they wanna see Ol' Clint
They all wanna see Ol' Clint
But i wanna see, Lee Van Cleef
You know i wanna see Ol' Lee
Whatever happened to Lee Van Cleef?

Whatever Happened to Lee?
Now the Studebecker's gone, Lee's passed on
Clint's still sharp as can be
Hilltop Drive-In is an Auto Mall
But no-one's built over Lee
He'll get a kick outta watchin' Clint
We all get a kick outta Clint
(Hi Hi Hi Hiiii)
But Lee never been none quite like Clint
There's really only one Clint
But i really did like Lee Van Cleef
I sure did really like Lee
Whatever happened to Lee Van Cleef?

Whatever happened to Lee?
We still get a kick outta watchin' Clint
We all get a kick outta Clint
Hi Hi Hi Hiii
There ain't never been one quite like Clint
There's really only one Clint
I always did like Lee Van Cleef
Always did like Lee
Nobody's steely like Lee Van Cleef
Whatever happened to Lee?
Whatever happened to Lee Van Cleef?
Don't forget about Lee.
