Strokin'

Clarence Carter

When I start makin love
I dont just make love...
I be strokin
Thats what I be doin, huh
I be strokinI stroke it to the east
And I stroke it to the west
And I stroke it to the woman that I love the best
I be strokinLet me ask you somethin...
What time of the day do you like to make love
Have you ever made love just before breakfast
Have you ever made love while you watched the late, late show
Well, let me ask you this
Have you ever made love on a couch
Well, let me ask you this
Have you ever made love on the back seat of a car
I remember one time I made love on the back seat of a car
And the police came and shined his light on me, and I said:
Im strokin, thats what Im doin, I be strokinI stroke it to the east
And I stroke it to the west
And I stroke it to the woman that I love the best
I be strokinLet me ask you something...
How long has it been since you made love, huh?
Did you make love yesterday
Did you make love last week
Did you make love last year
Or maybe it might be that you plannin on makin love tonight
But just remember, when you start making love
You make it hard, long, soft, short
And be strokin
I be strokinI stroke it to the east
And I stroke it to the west
And I stroke it to the woman that I love the best, huh
I be strokinNow when I start making love to my woman
I dont stop until I know shes sas-ified
And I can always tell when she gets sas-ified
Cause when she gets sas-fied she start calling my name
Shed say: Clarence Carter, Clarence Carter, Clarence Carter
Clarence Carter, ooooh shit, Clarence Carter
The other night I was strokin my woman

And it got so good to her, you know what she told me
Let me tell you what she told me, she said:
Stroke it Clarence Carter, but dont stroke so fast
If my stuff aint tight enough, you can stick it up my... WOO!I be strokin Ha! Ha! Ha! Ha!
I be strokinI stroke it to the east
And I stroke it to the west
And I stroke it to the woman that I love the best, huh
I be strokin
I be strokin Ha! Ha! Ha! Ha!
I be strokin, Yeah!
I be strokinI stroke it to the north
I stroke it to the south
I stroke it everywhere
I even stroke it with my... WOO!I be strokin
I be strokin Ha! Ha!
I be strokin
