Single (Radio 1 Lounge Recording)

Natasha Bedingfield

Ah yeah that's right
All you single people out there
This is for youI'm not waitin' around for a man to save me
(Cos I'm happy where I am)
Don't depend on a guy to validate me
(No no)
I don't need to be anyone's baby
(Is that so hard to understand?)
No I don't need another half to make me wholeMake your move if you want doesn't mean I will or won't
I'm free to make my mind up you either got it or you don'tChorus:
This is my current single status
My declaration of independence
There's no way I'm tradin' places
Right now a star's in the ascendantI'm single
(Right now)
That's how I want to be
I'm single
(Right now)
That's how I want to beAh yeah Uh Huh that's rightDon't need to be on somebody's arm to look good
(I like who I am)
I'm not saying I don't want to fall in love 'cause I would
I'm not gonna get hooked up just 'cause you say I should
(Can't romance on demand)
I'm gonna wait so I'm sorry if you misunderstoodChorusEverything in it's right time everything in it's right place
I know I'll settle down one day
But 'til then I like it this way it's my way
Eh I like it this wayMake your move if you want doesn't mean I will or won't
I'm free to make my mind up you either got it or you don't
'Til then I'm singleThis is my current single status
My declaration of independence
There's no way I'm tradin' places
Right now a star's in the ascendant
