To the Fallen Hero

God Forbid

Everyday I live, I remember the sacrifice
Everyday I live, I ensure its not in vainFor those who gave their all (Their all)
You shall live again through me
My solemn vow you are now foreverThis may be the last time we see our hero
This is an oath to the fallen heroes
This is an ode to the ones we lostThis was then and now
The last days before the return
The memory will not be silenced or erasedIn the glory of your worth
This is an oath to the fallen heroes
This is an ode to the ones we lost
This is an oath to the fallen heroes
This is an ode to the ones we lostI-I'm dying again
I, I'm dying again
This was then and now the last days before the return
The memory will never be silenced
Or erased
May your deed bring peace
A new resolution of changeThis is an oath to the fallen heroes (I-I'm dying again)
This is an ode to the ones we lost
This is an oath to the fallen heroes (I-I'm dying again)
This is an ode to the ones we lost (I-I'm dying again)
I'm dying again
