Earthquake

Labrinth

[Labrinth]Labrinth come in...
Labrinth come in...
Ladies and gentleman
This is something they call
A ground-breaker, (breaker...)
So let me first apologize
To the shirts and the ties
For your make up
Cause I make you ugly
As soon as it drops
We're on a rampage
Bottles poppin' off
Before you know it
There's rubble and dust
Cuz we be f***ing it up
Somebody say
(You better run)
Yeah!
I predict an earthquake up in here
say yeah!
I predict an earthquake up in here
Cause we throw bombs on it, throw bombs on it
Just smash something, yeah mosh for me
yeah!
We can make an earthquake up in here
Ladies and gentleman
What you're about to witness
Is no illusion
And now, we got the bass banging from here to Buckingham Palace
They're all moving
Hey Simon, we're f***ing them up
Turning them Syco
Everybody rock
Let's bring the house down to rubble and dust
Cuz we be f***ing it up
Somebody say
You better run
Yeah!
I predict an earthquake up in here

Say yeah!

I predict an earthquake up in here
Cause we throw bombs on it, throw bombs on it
Just smash something, yeah mosh for me
yeah!
We can make an earthquake up in here
(Say yeah!
I predict an earthquake up in here
Say Yeah
We can make an earthquake up in here
Cause we throw bombs on it, throw bombs on it
Say Yeah!)
So Here We Go We Go,
[Tinie Tempah]Hey yo, Labrinth,
This ones feeling like a straight 10 on the Richter scale you know,
Yeah!
Fire, fire,
We about to set this place on fire
Without a match or lighter
Don't do girlfriends
One nighters, make 'em (ahh)
C-minor, if I want Christian
Or Kurt Gieger, I just phone up the designer
Doing all nighters
No days off, grey hairs and a little weight loss
I Predict (Riots)
I Predict (Chaos)
I Predict (people)
I Predict (aahh)
Disturbing london, got the whole city panicking
I be nostradamus my n-n-n*ggah
Labrinth
Yeah!
I predict an earthquake up in here
Say yeah!
I predict an earthquake up in here
Cause we throw bombs on it, throw bombs on it
Just smash something, yeah mosh for me
yeah!
We can make an earthquake up in here
Labrinth come in...
