

Keep It Hid

[Dan Auerbach](#)

Lock the door and close the blinds
Theyre coming for me girl and I aint got time
If they ask you, darlin, oh about what I did
 Baby you gotta keep it hid
Im heading south, and I cant say where
But Ill phone you baby soon as I get there
 Theyre not gonna seal my coffin lid
 Cause youre gonna keep it hid
 (Bridge)
Well Big Sue knew but she dont no more
 If you know what I mean
Theyll never find what theyre looking for
 Cause youre my tight-lipped queen
Ill buy you a dress, a nice handmade piece
And send your Mom on a vacation to Greece
If youre an auction, oh Im the highest bid
 Oh baby, cause youre gonna keep it hid
