

# Stalker (Punished Mix) [2010 Remaster]

## Recoil

I can make a perfect picture from a voice  
Her serenity oozed into my ear  
It didn't take long for her to know me, and I knew it felt good  
"Pick me up and use me, pick me up and use me"  
She was saying, she she  
You are nothing  
You are nothing without me  
You are nothing  
You are nothing without me  
If I am taken  
You think that you can live again  
But you are nothing  
You are nothing without me  
You know I'm here for you, right here for you  
See I am the punished one  
She, she took all the glory  
She took everything, everything I had to give  
Sucking it out of me  
But I am always gonna be here  
Because I am the punished one  
She took everything  
She took all the glory, everything I had to give  
Sucking it out of me  
Sucking it out of me  
Sucking it out of me  
You are nothing  
You are nothing without me  
You are nothing  
You are nothing without me  
If I am taken  
You think that you can live again  
But you are nothing  
You are nothing without me  
Without me, you're nothing  
Without me, you're nothing
