

Attitude

Misfits

Attitude, you got some fucking attitude
I can't believe what you said to me
You got some attitude Inside your feeble brain there's probably a whore
If you don't shut your mouth you're gonna feel the floor Attitude, the one you got, oh baby
Attitude, the one you got, oh baby
Attitude, attitude Inside your feeble brain there's probably a whore
If you don't shut your mouth you're gonna feel the floor Attitude, you got some fucking attitude
(Attitude) I can't believe what you said to me
You got some attitude Attitude, you got some fucking attitude
(Attitude) I can't believe what you said to me
You got some attitude
