

# Traveling Man

## Washboard Sam

I'm a traveling man  
made a lot of stops, all over the world  
But in every part, i own the heart  
of at least one lovely girl.  
I have a pretty senorita  
waiting for me  
when i get back to LA  
and all the girls that i ran through  
when i was in cancun  
i still don't know their names  
oh my georgia beach down in ATL

calls me everyday  
and my brooklyn girl back in NYC  
meets me at JFK  
pretty pouerto rican baby i met at the bar  
i remember the time  
i left the studio late  
but you fixed me a plate  
and then you let me spend the night  
ohh i'm a traveling man  
yes i'm a traveling man  
ohh i'm a traveling man
