Loving You Is Sweeter Than Ever

The Four Tops

I remember yet before we met
When every night & day I had to live the life of a lonely one
I remember meeting you
Discovering love could be so true
Shared by 2 instead of only one
When you said you loved me (when you said you loved me)
& we could not be parted (we could not be parted)
I said I built my world around you (built my world around you)
I'm so thankful that I found you (so thankful that I found you)

'Cause lovin' you has made my life sweeter than ever
I've never felt like this before
Lovin' you has made my life so much sweeter than ever

Each night I pray we'll never part
For the love within my heart grows stronger
From day to day
As best I can, I'll always try
To reassure & satisfy
'Cause I'd be lost if you went away
'Cause I really need you (really really need you)
& I need for you to need me too (need for you to need me too)
I have built my world around you (built my world around you)
I'm so thankful that I found you

'Cause lovin' you has made my life sweeter than ever, yes it has
Lovin' you has made my life so much sweeter than ever

'Cause I really love you (really really love you)
Girl, I'm thankful that you love me too (thankful that you love me too)
I have built my world around you (built my world around you)
& I'm truly glad I found you

'Cause lovin' you has made my life sweeter than ever
Oh it has, yes it has
Lovin' you, since I've been lovin' you, my life's sweeter than ever
Since I'm lovin' you, life is sweeter than ever
