Single girl, single girl
She's goin' dressed fine
Oh, she's goin' dressed fine
Married girl, married girl
Wears just any kind
Oh, she wears just any kindSingle girl, single girl
Go to store and buy

Married girl, married girl
Rock the cradle and cry
Oh, rock the cradle and crySingle girl, single girl
Go just where she please
Oh, go where she please
Married girl, married girl
Baby on her knee
Oh, baby on her kneeSingle girl, single girl
She's goin' dressed fine
Oh, goin' dressed fine
Married girl, married girl
Wear just any kind
Oh, wear just any kind
