

Joy

Mick Jagger

Oh joy love you bring
Oh joy make my heart sing And I drove across the desert
I was in my four wheel drive
I was looking for the Buddha
And I saw Jesus Christ He smiled and shrugged his shoulder
And lit a cigarette
Said, Jump for joy
Make some noise
Remember what I said My soul is a like a ruby
And I threw it in the earth
But now my hands are bleeding
From scrabbling in the dirt And I look up to the heavens
And a light is on my face
I never never never
Thought I'd find a state of grace Hey joy love you bring
Oh joy make my heart sing
Oh joy, joy in everything Joy joy joy, oh joy
Joy joy joy, oh joy I was drowning in the darkness
As I drove down to the sea
Joy joy joy, oh joy And I looked up to a mountain
And the light burst over me
Joy joy joy, oh oh joy You make me sing
Oh joy the love you bring
Oh joy you make me sing
Oh joy in everything, in everything
Everything Jump for joy, jump for joy
Jump for joy, jump for joy
Jump for joy, jump for joy
