I'm Gonna Be Around

Michael Learns to Rock

It's been so long since we took the time
To share words from deep inside us
We're in our own world, spinning our wheels
But you know how I feelSince the first time I took your hand
My love for you has just been growing
You always seem to understand
You know how I amI'm gonna love you till the end
I'm gonna be your very true friend
I wanna share your ups and downs
I'm gonna be aroundWhen you're alone 'cause I'm away
Don't be sad, don't be afraid
I'm gonna turn my thoughts to you
Like I always doI'm gonna love you till the end
I'm gonna be your very true friend
I wanna share your ups and downs
I'm gonna be aroundCatch you when you fall
Hold you when youre down
Sharing every moment
I wanna show you all I doI believe Ive found a miracle in youI'm gonna love you till the end
I'm gonna be your very true friend
I wanna share your ups and downs
I'm gonna be aroundI'm gonna love you till the end
I'm gonna be your very true friend
I wanna share your ups and downs
I'm gonna be aroundI'm gonna love you till the end
I'm gonna be your very true friend
I wanna share your ups and downs
I'm gonna be aroundI'm gonna love you till the end
I'm gonna be your very true friend
I wanna share your ups and downs
I'm gonna be around
