

Wrong (Todd Terry Remix)

Everything But the Girl

I wanted everything for a little while
Why shouldn't I?
I wanted to know what it was like
But I pushed you too far I know
And you started laying down the law
'Til I didn't love you any more
Now you can pull a little bit There's a little give and take
And love will stretch a little bit
But finally it's gonna break Wherever you go I will follow you,
'Cause I was wrong Wherever you go I will follow you,
'Cause I was wrong So there we both were in that little house
Just hanging out
You didn't know what you were about
You turned to me as you were Threading daisies on a chain
And you said, "It's decision time again"
Now you can pull a little bit
There's a little give and take And love will stretch a little bit
But finally it's gonna break Wherever you go I will follow you
'Cause I was wrong. Wherever you go I will follow you
'Cause I was wrong. And the ground's gonna swallow you
I was wrong
I was wrong
I was wrong
I was wrong I wanted everything for a little while.
Why shouldn't I?
I wanted to know what he was like.
Now you can pull a little bit, There's a little give and take.
And love will stretch a little bit,
But finally it's gonna break. Wherever you go I will follow you,
'Cause I was wrong Wherever you go I will follow you,
'Cause I was wrong Wherever you go I will follow you,
'Cause I was wrong Wherever you go I will follow you,
'Cause I was wrong
