

# Mean Spirits

## Silversun Pickups

Back in bendings  
I'm easily amused  
Back stop calling  
Were running out of roomMouth in sharp pen  
Little grooves on display  
But Im still waiting  
For something nice to sayMean spirits are high  
Mean spirits highPlease go on and on  
This beauty and your venom  
I love to play and sing along  
I love to play and sing alongToo late to decide  
My lips are open wide  
I love to play and sing along  
I love to play and sing alongYou stare at my shoulders  
Are you surprised to see?  
One more tempo  
The angel you should beMean spirits are high  
Mean spirits highPlease go on and on  
This beauty and your venom  
I love to play and sing along  
I love to play and sing alongToo late to decide  
My lips are open wide  
I love to play and sing along  
I love to play and sing alongHigh, highPlease keep going on  
Oh my sweet venom  
I love to play and sing along  
I love to play and sing alongToo late to decide  
My lips are open wide  
I love to play and sing along  
I love to play and sing along
