Beautiful U

Isyss

Though I have loved it was never enough
Until the day you came, I was not the same
You brought the love out of me never seen, by anyone
I can't explain about how I'm feelin'
You touched my soul, made me whole
You're beautifulBeautiful you, no one compares to you
They can't measure, forever, let's stay together
Beautiful you, no one compares to you
They can't measure, forever, let's stay togetherThough some ask why, you and I are together
'Cause they don't know what we hold (what we hold)
It can't be told (can't be told), love's in need of us both
So let's try to make it right (make it right)
Future-wise we can go to a place no one knows
You're beautifulBeautiful you, no one compares to you
They can't measure, forever, let's stay together
Beautiful you, no one compares to you
They can't measure, forever, let's stay togetherYou are a dream, I have always dreamed
I'll do anything to bring you joy, so much joy
You are a dream, I have always dreamed
I'll do anything to bring you joy, so much joyBeautiful you, no one compares to you
They can't measure, forever, let's stay together
Beautiful you, no one compares to you
They can't measure, forever, let's stay togetherBeautiful you, no one compares to you
They can't measure, forever, let's stay together
Beautiful you, no one compares to you
They can't measure, forever, let's stay together
