Advisory - the following lyrics contain explicit language:

1, 2, 3, 4 She called me late last night to say she loved me so  
It didn't matter anymore  
I say, "She never cared and that she never will"  
I'd do it all again  
I guess, I'll have to wait until then If I get drunk well, I'll pass out on the floor now baby  
You won't bother me no more  
And if you're drinkin' well  
You know that you're my friend  
And I say, "I think, I'll have myself a beer" She called me late last night  
To say she loved me, so but I guess he changed her mind  
Well I should have known, it wouldn't be all right  
But I can't live without her  
So I won't even try If I get drunk well, I'll pass out on the floor now baby  
You won't bother me no more  
And if you're drinkin' well  
You know that you're my friend  
And I say, "I think, I'll have myself a beer" Maybe some day, I'll think of what to say  
Maybe next time, I'll remember what to do  
She looks like Heaven, maybe this is hell  
Said, "She'd do it all again  
She'd promise not to tell" If I get drunk well, I'll pass out on the floor now baby  
You won't bother me no more  
And she said, "It's okay boy 'cause you know we'll be good friends"  
And I say, "I think I'll have myself a beer"  
I think I'll have myself a Woah, woah, woah  
Yeah, yeah, yeah
