

The Dream Within

Lara Fabian

Hmmmm, hmmm, hmmm, hmmm,

Free

The dream within

The stars are crying a tear

A sigh

Escapes from heaven

And worlds end

Breathe

The dream within

The mystifying

We tremble and spin

Suspended within

Look beyond

Where hearts can see

Dream in peace

Trust love... believe

We tremble and spin

Suspended within

Free

The dream within

The voice is calling a song

A prayer

From deep inside you

To guide you

Be

The dream within

The light is shining

A flame on the wind

Salvation begins

Look beyond

Where hearts can see

Dream in peace

Trust love... believe

We tremble and spin
Suspended within

oh wah oh wah oh wahaa
oh wah oh wah oh waha

hmmmm

Free
The dream within
The stars are crying
A tear
A sigh
Escapes from heaven
And worlds end
