Little Umbrellas

Sarah Darling

Uh oh, he broke your heart.
Girl, what you gonna do?
Have a pity party in the dark?
Well, I've gotta better idea for you.
Buy a ticket on a southbound plane
Old Darling remedy
Go a little crazy not insane
By tomorrow morning you could be

Killing little umbrellas
Watching his memory fade
A little change in the weather
Sailing on a wind and wave
It makes you feel better
Drinking up the tropical sun
Soaking up the coconut rum
Killing little umbrellas

Call a friend, maybe three
Ask 'em if they wanna come along
Yeah, Vegas ain't the only place where you
Can get into something that you can't tell no one
Oh yeah, and by the way
It's perfect timing that you called me
I'm not that far over my ex
Practice makes perfect, so I can't wait to be

Killing little umbrellas
Watching his memory fade
A little change in the weather
Sailing on a wind and wave
It makes you feel better
Drinking up the tropical sun
Soaking up the coconut rum
Killing little umbrellas

You got ya Mai-Tais, Bahama Mamas
Mudslides, PiÃ±a Coladas
We'll be (?) senioritas

Let's have another round of Margaritas

Hey, hey cabana boy
What you doin' later on tonight?
Hey, hey cabana boy
I bet you look good in the moonlight
[x2]

You can make a heartache disappear
When you get off, I'll be right here

Killing little umbrellas
Watching his memory fade
A little change in the weather
Sailing on a wind and wave
It makes you feel better
Drinking up the tropical sun
Soaking up the coconut rum

Killing little umbrellas
Watching his memory fade
A little change in the weather
Sailing on a wind and wave
It makes you feel better
Drinking up the tropical sun
Soaking up the coconut rum
Killing little umbrellas
