Hail, Hail

Tenet

Ah, is there room for both of us
Both of us apart
Are we bound out of obligation
Is that all we've got?I get the words and then I get to thinkin'
I don't wanna think, I wanna feel
How do I feel?
How do I?If you're the only one
Will I never be enough, yeah?
Hail, hail the lucky ones
I refer to those in love, yeahOh, how I'd love ya
Till the day I die and beyond
Are we goin' to the same place?
If so can I come?It's egg rollin', thick and heavy
All, the past we carry
Oh, I could be new
You under-estimate meIf you're the only one
Will I never be enough, yeah?
Hail, hail the lucky ones
I refer to those in love, yeahI sometimes realize
I could only be as good as you'll let me
Are you woman enough to be my man?
Bandaged hand in handBlack lining on the run
In a race that can't be won, yeah
Oh, hail, hail the lucky ones
I refer to those in love, yeahIf you're my only one
So good, you, only one
I want to be your one
Enough, you won, your one, your one
