Evening Gown (With Mick Jagger

Jerry Lee Lewis

People think that Im high class
But Im low down all the while
People think that Im crazy
When I flash that California smile
But I can still
Paint the town
All the colors of your evening gown
While Im waiting for your blonde hair to turn grayPeople say youre a drinker
But I get sober half the time - mmm hmm
People say youre a loser
But I get lucky on the side - bet you do
But I can still
paint the town
All the colors of your evening gown
While Im waiting for your blonde hair to turn grayAll my life Ive waited for someone who could show me where the bliss is
All my life Ive waited for someone who could take me past the kissing?People say Im a loner - mmm hmm
I like to get lost in a crowd dont we all
Oh, people say Im a dresser - pretty sharp
I wear my sport clothes way out loud - way out loud
Yeah I can still - I can still
paint the old town - town
and I can shake it -shake it
I can turn it upside down upside down
while Im waiting waiting
for your blonde hair -for your blond hair
to turn gray - grayGirl Ill keep waiting-Waiting
for your blonde hair
to turn grayIll keep waiting - Just waiting
for your blond hair
to turn grayIt will turn gray baby. Mmm thats right.
