# Pure Narcotic

## Porcupine Tree

You keep me waiting
You keep me alone in a room full of friends
You keep me hating
You keep me listening to the BendsNo amount of pointless days
Can make this go awayYou have me on my knees
You have me listless and deranged
You have me in your pocket
You have me distant and estrangedNo narcotics in my brain
Can make this go awayI'm sorry that, I'm sorry that I'm not like you
I worry that I don't act the way you'd want me toYou find me wanting
You find me bloodless but inspired
You find me out
You find me hallucinating fireNo narcotics in my brain
Can make this go awayHave we ever been here before?
Running headlong at the floor
Leave me dreaming on a railway track
Wrap me up and send me back
