Goliath

Melanie Doane

I've been sleeping under the beanstalk
And I've been dreaming of something big
I don't know how but I could swear
I'm on my way somewhereAwake the giant, awake, awakeHey Goliath, oh, you're no bigger
You're no bigger than meI know I've got something inside of me
Just like I know you've got
Something inside of you
It might be hard but if we dare
We're on our way somewhereAwake the giant, awake, awakeHey Goliath, oh, you're no bigger
You're no bigger than meSay the words you have swallowed
See the visions in your mind's eye
Do what you feel in your heart
Awake the giant in youI've been waiting for a signal
For something to tell me
Everything's alright
But now I see it's up to me
No one else can fight this fight
