Wake Up and Live

Cab Calloway

Wake up and live
Don't mind the rainy patterYou'll find
It's mind over matterDark clouds will break up
If you wake up and liveIt's what is
(scat)Wake up and live
Show the stuff you're made of
Just follow through
What are you affraid ofYou'll try it won't ya
Say won't ya wake up an liveCome out your shell, hey fella
Find your place in the sunCome out your shell, say man
Just be a go getterSend em on up
(scat)Won't ya wake up and live
If lady luck is yawnin'Up on your toes
A better day is dawning
Don't let em
Get up and giveGet, get yourself a shakeup
And wake up and live
