Tongue

Bell X1

This one's for you
This one's for me
This one's for you
This one's for meI've got a nervous feeling over you
But who am I fooling
I like airline food, I need to feel whole
I need to feel young again, I need to be boldAnd start using my tongue again
They can laugh as they cry
They can cut till I bleed
But I ain't losing 'cos this one's for me
