## Atmosphere

J'ai faim  
J'ai soif  
J'ai besoin de toi  
de toi  
J'ai faim  
J'ai soif  
J'ai besoin de toi  
de toi I could look you in the face for all time  
And even if I fall blind I'll still see you in my mind  
You got the grace of a raven  
It ain't no misbehaving if I tell you that you're the taste that I'm cravin'  
You can't imagine all the time and dedication  
Trying to find a way to obtain your validation  
And sometimes we stayed up untill the sunrise  
Talking about nothing but that love jive  
And if we're gonna keep it legit  
I got a little secret that I need to admit  
You see, ever since I was a teenage mess  
I've had a hard time interpreting the opposite sex  
But I need you, girl, that's my word  
Now could you please repeat your last few words?  
Most beautiful voice I've ever heard  
But you might as well have a mouth full of baby birds  
J'ai faim  
J'ai soif  
J'ai besoin de toi  
de toi  
J'ai faim  
J'ai soif  
J'ai besoin de toi  
de toi And then she asked me if I caught a single thing she said  
I involuntarily nodded my head  
Honestly I did hear your actual voice  
But the words blended with the background noise  
I must've got lost in my mind somehow  
And now I'm too far behind to try and figure it out  
The fact is I don't know what you're talking about  
And I'm distracted by the gymnastics up in your mouth  
Truthfully it's not you, it's me

Cause you're the moon that moves the sea  
See, I guess there's a limit to my listening  
And then I get dismissive and treat it as if it's gibberish  
And I don't mean to be blunt  
Cause I know we'll probably talk about this for the rest of the month  
But my life wouldn't be complete  
If I didn't get to misread the shit you speak  
J'ai faim  
J'ai soif  
J'ai besoin de toi  
de toi  
J'ai faim  
J'ai soif  
J'ai besoin de toi  
de toi So what you need?  
Yeah, maybe I never knew how to communicate  
So what you need?  
Nah, I never learned how to ice skate  
So what you need?  
Go ahead finish your thought, I'll wait  
So what you need? J'ai faim  
J'ai soif  
J'ai besoin de toi  
de toi  
J'ai faim  
J'ai soif  
J'ai besoin de toi  
de toi
