

# I Can't Stay Away

## The Veronicas

This is wrong  
I should be gone  
Yet here we lay  
Cause I can't stay away  
Roses bloom  
In your dirty room  
I Come to play  
Cause I can't stay away  
No I can't stay away

[Chorus]  
I'm conflicted  
I inhale now I'm addicted  
To this place  
To you babe  
I can't stay away  
Can't stay away  
Get up, go down  
Then we go and more round  
It's wrong, they say  
I can't stay a, I can't stay away  
I can't stay a, I can't stay away

I was numb  
For you I come  
Night and day  
And I can't stay away  
No I can't stay away

[Chorus]  
I wish I could  
Leave and never return  
Baby, I know I should  
But for you I'd burn

Stay away  
Cause I can't stay away

[Chorus]

I can't stay away

I can't stay away

I can't stay away, I can't stay away
